Alzheimers Canterbury is recruiting volunteers to spend time with clients who have dementia. The aim of the programme is to provide safe companionship and support to the person with dementia while the carer has a much needed break. We recruit and train volunteers and offer ongoing support in their work with families affected by dementia. We are looking for volunteers who can contribute around 2 hours per week. We need people who are comfortable spending time with people who have memory loss or confusion. If you are interested in volunteering, please contact Monique at Alzheimers Canterbury ph: 379 2590 or e-mail monique@alzcanty.co.nz. We would love to hear from you.

Free Workshop For Men Seeking Employment: "Men at Work" is a FREE eight day workshop (four days each week), due to commence on Tuesday 31 January 2012, for men re-entering the workforce. It covers a variety of topics including preparing a resume, job search strategies, what employers are looking for and interview skills. If you are interested please contact Kingdom Resources on 332 1700, registrations close Thursday 26th January 2012. Limited places available.

Accommodation...

Female Seeking Flat in coeey of Canterbury University: However Spreydon would be nice, as I like this community. Other than that am keen on affordability, warmth in winter and people who enjoy a great meal and conversation. I like homes that are clean, pet-free and welcoming. Current interests include cheese-making, caffeine consumption, architecture and taking a break in the Port Hills on a bike or a sea swim. Oh and did I mention I am a foodie on a budget, so foraging is a keen past-time. Please contact Emily, 022 1210791, emily.grace.hill@gmail.com
